

# Stop Temporarily Discontinued

During the reconstruction of eastbound Chevrier all eastbound stops will be cancelled. For those needing eastbound service towards Pembina Highway there are two options.

- 1) **Passengers can walk to Clarence and catch the route 94.** The route 94 will observe all stops on Clarence while on reroute.
- 2) **Passengers can catch the route 94 heading west on Chevrier and transfer to the route 94 at northbound Waverley and Chevrier**

Winnipeg Transit apologizes for any inconvenience this may cause.
