

Winnipeg Transit Long Term Network Plan

Service Overview

PRIMARY NETWORK

- A Rapid Lines**
Service every 5-10 minutes
High Frequency, high capacity transit service with transit-only right of way where needed to bypass congestion and move more quickly across the city.
- E Frequent Lines**
Service every 10-15 minutes
Frequent bus service running along major streets to travel downtown or across the city.
- P Direct Lines**
Service every 10-20 minutes
Regular bus service running along major streets to travel downtown or across the city.

FEEDER NETWORK

- 30 Connector Routes**
Service every 15-30 minutes
Regular bus service for travelling across neighbourhoods and connecting with the Primary Network.
- 650 Community Routes**
Service every 15-60 minutes
Local bus service for access within neighbourhoods and connecting with the Primary Network.
- 699 Limited-Span Service**
Service as needed
Local or express bus routes with limited hours of operation, often weekday rush hours only.
- On-Request Service Area**
Service on request
Shuttle buses or vans providing access throughout their service areas and connecting with the Primary Network.
